

National FFA Veterinary Science Identification List

Equipment

- 102 Autoclave
- 106 Bandaging Material-Elasticon
- 109 Bands (castration or docking)
- 115 Centrifuge
- 119 Dehorner- Electric
- 121 Dental scaler
- 125 Elizabethan collar
- 126 Emasculators
- 129 Fecal loop
- 133 Forceps- Alligator
- 138 Forceps-Kelly
- 142 Head gate
 - Which animal would this be typically used for?
 - 001 Cattle
 - 002 Horse
 - 003 Goats
 - 004 Hogs
- 145 Hoof rasp
- 149 Muzzle-basket
- 155 Otoscope
 - When is this equipment typically used?
 - 001 Checking for ear mites
 - 002 Looking at demodectic mites
 - 003 Checking a scratch on the cornea
 - 004 Checking for respirations
- 156 Pig tooth nippers
- 160 Scalpel blade
- 163 Scissors-bandage
- 168 Silver nitrate sticks
- 174 Squeeze chute
- 177 Surgical drapes
- 179 Suture needle-taper
 - This equipment is used to:
 - 001 Suture dense tissue
 - 002 Make a small incision
 - 003 Remove sutures
 - 004 Suture delicate soft tissue
- 180 Syringe-automatic, multi-dose
- 185 Twitch chain
- 186 Twitch handle

Parasites/Microscopic

206 Ear Mite (new image in box)

209 Flea Larva (new image in box)

211 Flea Tapeworm Segment (can we get an actual segment specimen)

What is the intermediate host of this parasite?

001 Dog

002 Cat

003 Flea

004 Tapeworm

216 Heartworm Microfilaria (edit this video please https://youtu.be/p5WMe_xMjRI) We will need this looped

218 Hookworm Egg (use image we already have)

221 Lice- Biting (new image in box)

224 Mosquito Adult (live specimen?)

225 Mosquito Larva (new image in box)

230 Roundworm Adult (new image in box)

232 Sacroptic Mite (use image we already have)

234 Taenia Tapeworm Egg (use image we already have)

235 Taenia Tapeworm Segment (specimen? Or image we already have)

240 Tick- LoneStar (new image in box)

241 Whipworm Egg (use image we already have)

242 Whipworm

Where do the eggs hatch in the life cycle?

001 on the ground

002 in the stomach

003 in the feces

004 in the intestine

Breeds

307 Shetland Sheepdog (new image in box)

332 Bull Terrier (new image in box)

359 Abyssinian (new image in box)

385 Chicken-Plymouth Rock (new image in box)

392 Gerbils (question image in box)

Which of these images is a gerbil?

001

002

003

004

415 Simmental (new image in box)

425 Tennessee Walking Horse (new image in box)

427 Alpine (new image in box)

435 Dorper (new image in box)

443 Duroc (new image in box)
