7	11.5	.8	72	105	20
8	11	1.5	67	99	21
Breed Average	11.7	0.6	64.5	98.5	21.7

SCENARIO:

Select four females as replacements for a purebred Simmental operation. This firm is located in southern Indiana and has built a reputation of cattle that require limited efforts at calving but can still achieve exceptional growth. Income is generated by an annual production sale that markets bulls and feature females while the premiere show prospects are merchandised through online sale platforms.
