The National FFA Organization National Event Winners - Floriculture 2021

INDIANAPOLIS- Winners of the National FFA Floriculture Career Development Event (CDE) were announced Friday at the annual awards banquet. The National FFA Floriculture CDE was held in conjunction with the 94th National FFA Convention & Expo in Indianapolis. Ms. Melissa Riley of Georgia served as superintendent of this year's event.

The top ten individuals and the national winning team members received cash awards to recognize their success in the event. The cash awards and the floriculture event are sponsored by Fifth Third Bank

In the National FFA Floriculture CDE, FFA members test their knowledge and skills in the production and retailing of flowers, plants and foliage. Participants must complete a general knowledge exam on the floriculture industry, identify plant materials, demonstrate problem solving and decision-making skills, employment and customer service skills, technical floral skills and the ability to work as a team. Teams competed at the local and state levels to earn the privilege of representing their home state at the National FFA Convention & Expo.

This event, held at the Indiana State Fairgrounds in Indianapolis, is one of many educational activities at the national convention in which FFA members apply the knowledge gained in the classroom for real-life situations.
