## **The National FFA Organization National Event Winners - Livestock Evaluation 2021**

INDIANAPOLIS- Winners of the National FFA Livestock Evaluation Career Development Event (CDE) were announced on Friday at the annual awards banquet. The event was held in conjunction with the 94th National FFA Convention & Expo in Indianapolis. Mrs. Tammy Miller of Joliet Junior College in Illinois served as superintendent of the event.

The top ten individuals and the national winning team members received cash awards to recognize their success in the event. The cash awards and the livestock evaluation event are sponsored by Merck Animal Health.

The National FFA Livestock CDE is a competitive event that tests the student's ability to select and evaluate livestock. Event components include eight evaluation classes of beef, sheep, swine, and goats; oral placement reasons on four classes; and a written exam on livestock production. A team activity, utilizing reproductive and marketing information, demonstrates the teams' livestock selection ability. Each team in the event competed at local and state levels for the privilege of representing their state at the National FFA Convention & Expo.

This event, held at the Indiana State Fairgrounds in Indianapolis, is one of many educational activities at the national convention in which FFA members apply classroom knowledge to real-life situations.

### **Top Placing Teams**

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| 1st Place-- California   | Morgan Gravatt, Jaiden Grivette, Nicole Carter, and Devon Pastor-Guzman, all of Oakdale FFA   |
