

2022 National FFA Floriculture Career Development Event

Floral Arrangement

Scenario:

Your school's floriculture class has recently been asked to help with the wedding flowers for a teacher at your school. You have been assigned the task of creating a sample centerpiece for the upcoming bride to use at her reception. She will be using rectangle tables that are 48 inches long and her event venue has very high ceilings. The only request that she has given is that you use a gold container and that you stick to her budget of \$55.

You may use all or some of the material provided below:

Cost of Products

Spider Mums - \$3.00 per stem

Carnations - \$2.00 per stem

Stock - \$1.50 per stem

Limonium - \$2.00 Flat Rate (for any amount used)

Leatherleaf Fern - \$3.00 Flat Rate (for any amount used)

FTD Container - \$15.00

Floral Foam - \$1.00

Anchor/Waterproof Tape - \$1.00 Flat Rate (for any amount used)
