

National FFA Floriculture CDE Plant and Equipment ID Practicum

Please locate the section labelled Floriculture Identification #1-
Plants on your electronic scan sheet to mark your answers.

You will need to input the three digit number from the Plant and
Equipment list onto your electronic scan sheet to identify each
specimen.

Check to make sure that the sample number matches the
question number.

It is necessary that students have a printed copy of the Plant and Equipment List Student Handout or the list of equipment and plants from the handbook (pages 9-11) with them while they complete this section
