The National FFA Organization National Event Winners - Marketing Plan 2022

INDIANAPOLIS- Winners of the National FFA Marketing Plan Career Development Event (CDE) were announced on Friday during the sixth session of the 95th National FFA Convention & Expo in Indianapolis. The event was held in conjunction with the 95th National FFA Convention & Expo in Indianapolis. Mr. Donn Randall of Wyoming served as superintendent of this year's event.

Members of the top four national winning teams received cash awards to recognize their success in the event.

The National FFA Marketing Plan CDE helps students practice and sharpen skills in marketing through the development and presentation of a marketing plan. The plan may focus on the introduction of a new agricultural product, supply or service or on improving marketing of an existing product, supply, or service. Each team competed against teams in their state for the privilege of participating in the national event.

The event, held at the Embassy Suites in Indianapolis, is one of many educational activities at the National FFA Convention & Expo in which FFA members practice the lessons taught in agriculture classes.
