The National FFA Organization National Event Winners - Parliamentary Procedure 2023

INDIANAPOLIS- Winners of the National FFA Parliamentary Procedure Leadership Development Event (LDE) were announced on Saturday during the seventh session of the 96th National FFA Convention & Expo in Indianapolis. The event was held in conjunction with the 96th National FFA Convention & Expo in Indianapolis. Mr. Will Fett served as superintendent of this year's event.

The members of the top four national winning teams each received cash awards to recognize their success in the event.

The National FFA Parliamentary Procedure LDE tests students' ability to effectively communicate ideas during a meeting. Components included a general knowledge exam of parliamentary law, a 10 minute demonstration of parliamentary procedure, oral questions, written minutes of the demonstration as well as a team problem solving activity. Each team competed on local and state levels to earn the privilege of representing their state at the National FFA Convention & Expo.

The event, held at the Hyatt Regency and Indiana Convention Center in Indianapolis, is one of many educational activities at the National FFA Convention & Expo in which FFA members practice the lessons taught in agricultural education classes.
