The National FFA Organization National Event Winners - Poultry Evaluation 2023

INDIANAPOLIS- Winners of the National FFA Poultry Evaluation Career Development Event (CDE) were announced on Friday during the fifth session of the 96th National FFA Convention & Expo in Indianapolis. The event was held in conjunction with the 96th National FFA Convention & Expo in Indianapolis. Mrs. Christa Steinkamp served as superintendent of this year's event.

The top ten individuals and the national winning team members received cash awards to recognize their success in the event.

The National FFA Poultry Evaluation CDE is a competitive event that tests the participant's ability to select top quality poultry and poultry products needed for successful production and marketing. Event participants must complete a written exam on poultry management, evaluate classes of live birds for eggs and meat production, evaluate quality of eggs, and evaluate and identify parts and products. Each team competed at local and state levels for the privilege of representing their state at the National FFA Convention & Expo.

This event, held at the Indiana State Fairgrounds in Indianapolis, is one of many educational activities at the national convention in which FFA members apply classroom knowledge to real-life situations.
