

97TH NATIONAL FFA CONVENTION & EXPO

OCT. 23-26, 2024 | INDIANAPOLIS

AUGUST 30, 2024

Dear Administration,

Get ready for the 97th National FFA Convention & Expo! We're thrilled to announce that students from your school have been chosen as national finalists for one of the prestigious National FFA awards.

Congratulations to you for fostering such remarkable student achievement. This convention is a chance for them to shine, competing and being honored in front of over 65,000 FFA members, parents and leaders in business and education from all corners of the country!

We're eagerly anticipating the learning opportunities and the chance to celebrate your students' accomplishments in person at the national convention and expo in Indianapolis from October 23-26. It's worth noting that our convention has been previously recognized by the National Association of Secondary School Principals for its enriching content, educational focus and alignment with national education standards.

Apart from being recognized, we encourage you to support your students as they explore the multitude of opportunities available at the convention in Indianapolis. They'll have the chance to connect with representatives from Fortune 500 companies, government agencies and post-secondary education institutions as well as network with peers from across the nation.

Our event promises to be a celebration brimming with experiences that reinforce the educational standards taught in your classrooms. Through convention events, workshops and the expo, students will gain insights into the trends and technologies driving sustainable food and clothing production worldwide.

Every convention attendee will be exposed to present and future career paths, acquiring new skills that will empower them to become the next generation of world-changing leaders. Additional learning opportunities, including student workshops focused on leadership, personal growth and career success, as well as teacher workshops for professional development, will be available.

This event wouldn't be possible without the support and participation of our corporate partners like Bayer, CHS Foundation, John Deere, Tractor Supply Company and many others.

We're excited to welcome your FFA members and advisors to the 97th National FFA Convention & Expo. We encourage you to join us and experience the excitement firsthand!

Best,

Christine White
Chief Program Officer, National FFA Organization
