

## 98TH NATIONAL FFA CONVENTION & EXPO

OCT. 29-NOV. 1, 2025 | INDIANAPOLIS

**August 30, 2025**

Dear Administrators and Educators,

The 98th National FFA Convention & Expo is just around the corner, and we're thrilled to invite your FFA chapter to take part in this year's event, happening Oct. 29-Nov. 1, 2025, in **Indianapolis, Ind.**

Recognized for its educational value and alignment with national learning standards, the National FFA Convention & Expo provides an immersive experience where students deepen their knowledge, explore career possibilities and grow as leaders.

In Indianapolis, attendees will have the opportunity to:

- **Engage with the National FFA Expo**, featuring hundreds of leading agricultural businesses, colleges and organizations showcasing innovation, sustainability and emerging career opportunities across food, fiber and natural resources systems.
- **Participate in dynamic leadership workshops** tailored to support personal growth, communication, goal setting and advocacy — all aligned with the FFA mission of developing premier leadership, personal growth and career success.
- **Explore hands-on learning** through student and chapter experiences including career success tours, competitions, technology showcases and interactive exhibits focused on the future of agriculture and STEM.
- **Give back through National Days of Service**, where members embody the FFA motto "Living to Serve" by making a meaningful impact in the Indianapolis community.
- **Witness excellence on stage** during general sessions that recognize top student and chapter achievements, highlight inspiring member stories and feature engaging keynote speakers who challenge students to lead boldly.

For educators, we are pleased to offer a suite of **professional development sessions** designed to strengthen instructional practices, provide classroom-ready resources and foster collaboration among agriculture educators from across the country.

The convention is more than a celebration — it is an extension of classroom learning, providing real-world application of concepts taught throughout the year.

We hope your chapter will join us at the 98th National FFA Convention & Expo. For the latest updates and planning tools, please visit [convention.FFA.org](https://convention.FFA.org).

Sincerely,

**Christine White**  
Chief Program Officer  
National FFA Organization
