The National FFA Organization National Event Winners - Agricultural Sales 2025

INDIANAPOLIS- Winners of the National FFA Agricultural Sales Career Development Event (CDE) were announced Thursday during the third session of the 98th National FFA Convention & Expo in Indianapolis. Mrs. Theresa Noll from Indiana served as superintendent of the event.

The top ten individuals and the national winning team members received cash awards to recognize their success in the event.

The agricultural sales event evaluates students' sales and customer service skills through individual and team activities, including written exams, sales calls, and customer service scenarios. It fosters essential communication, problem-solving, and relationship-building abilities for success in agricultural sales careers.

The event, held at the Indianapolis Marriott Downtown, is one of many educational activities at the National FFA Convention & Expo in which FFA members practice the lessons taught in agricultural education classes.
