The National FFA Organization National Event Winners - Conduct of Chapter Meetings 2025

INDIANAPOLIS- Winners of the National FFA Conduct of Chapter Meetings Leadership Development Event (LDE) were announced Friday during the fifth session of the 98th National FFA Convention & Expo in Indianapolis. Dr. Troy White of the University of Nebraska-Lincoln served as superintendent of the event.

The members of the top four national winning teams each received cash awards to recognize their success in the event.

The conduct of chapter meeting event introduces middle school FFA members (grades 7-9) to parliamentary procedure, enabling them to conduct efficient meetings and enhance communication skills. Members also respond to questions based on the team's presentation of parliamentary procedure and complete a written exam.

The event, held at the Hyatt and Indiana Convention Center in Indianapolis, is one of many educational activities at the National FFA Convention & Expo in which FFA members practice the lessons taught in agricultural education classes.
