The National FFA Organization National Event Winners - Dairy Cattle Evaluation and Management 2025

INDIANAPOLIS- Winners of the National FFA Dairy Cattle Evaluation and Management Career Development Event (CDE) were announced Friday during the fourth session of the 98th National FFA Convention & Expo in Indianapolis. Ms. Morgan Cavitt and Mr. Bill Davenport served as superintendents of the event.

The top ten individuals and the national winning team members received cash awards to recognize their success in the event.

Teams engaged in the dairy cattle evaluation and management event cultivate essential herd management skills. Members assess pedigrees and herd records, conduct management exercises, evaluate live dairy cattle, and present oral justifications for their decisions, fostering a deeper understanding and appreciation of the industry. Each team competed at local and state levels to earn the privilege of representing their home state at the National FFA Convention & Expo.

The event, held at the Indiana State Fairgrounds in Indianapolis, is one of many educational activities at the National FFA Convention & Expo in which FFA members demonstrate their ability to apply classroom knowledge to real-life situations.
