The National FFA Organization National Event Winners - Parliamentary Procedure 2025

INDIANAPOLIS- Winners of the National FFA Parliamentary Procedure Leadership Development Event (LDE) were announced on Saturday during the sixth session of the 98th National FFA Convention & Expo in Indianapolis. Mr. Will Fett served as superintendent of this year's event.

The members of the top four national winning teams each received cash awards to recognize their success in the event.

The parliamentary procedure event is designed to help students effectively participate in business and organizational meetings while honing their leadership, research, problem-solving, and critical-thinking skills. Through this event, students will learn to conduct orderly and efficient meetings using parliamentary procedure, demonstrate a solid understanding of parliamentary law, present convincing debates, evaluate minutes and organizational documents, and utilize parliamentary resources to solve management and operational problems.

Participants who complete the event are eligible for membership in the American Institute of Parliamentarians. The event consists of five phases: a written exam, a team presentation of parliamentary procedure, oral questions, a team problem-solving practicum, and an individual practicum focused on minutes and records. Each phase is designed to provide comprehensive training and assessment in parliamentary procedure, ensuring students are well-prepared for future leadership roles.

The event, held at the Hyatt Regency and Indiana Convention Center in Indianapolis, is one of many educational activities at the National FFA Convention & Expo in which FFA members practice the lessons taught in agricultural education classes.

Top Placing Teams

1st Place-- California	Audra Paasch, Wyatt Thompson, Katherine Brink, Kristi Brink, Wendy Fowler, and Dakota Graham, all of Grass Valley-Bear River FFA
