

AGRISCIENCE FAIR

2026 HANDBOOK UPDATES

Revised: January 13, 2025

Please find details of the handbook updates to the Agriscience Fair for the 2026 award cycle. We will continue to evaluate recent delivery method changes and adjust the programming as needed to ensure the safety of all those involved. We will announce the delivery methods and/or changes in a timely manner.

Handbook Update:

- No changes

Application Update:

- No changes

Rubrics Update:

- Add an Introduction (10 points) to the Interview Rubrics for all Divisions.
- Increased total points possible from 120 to 130 points
