

AGRISCIENCE FAIR

2028 UPDATES

Revised: January 23, 2028

Please find details of the handbook updates to the Agriscience Fair for the 2028 award cycle. We will continue to evaluate recent delivery method changes and adjust the programming as needed to ensure the safety of all those involved. We will announce the delivery methods and/or changes in a timely manner.

Handbook Update:

- Increased the number of pathways from 6 to 9.
 - All Agriscience Fair Pathways match AFNR Pathways
 - Agribusiness Systems
 - Animal Systems
 - Biotechnology Systems
 - Education, Communication, and Leadership
 - Environmental Sustainability Systems
 - Food Products and Processing Systems
 - Natural Resource Systems
 - Plant Systems
 - Power, Structural and Technical Systems

Rubrics Update:

- No Changes
