

AGRICULTURAL ISSUES FORUM

Purpose:

The purpose of the National FFA Agricultural Issues Forum Leadership Development Event (LDE) is to present a current issue to a public audience; therefore, professional ethics and standards are to be considered. Ignoring truthful information, falsifying needed information, using unreliable sources and plagiarism are violation examples, which would result in disqualification.

Description:

Participants in the agricultural issues forum LDE research the pros and cons of an agricultural issue and present their findings and theories to a panel of judges.

Career Opportunities:

- Agriculture and forestry production manager
- Management and financial specialist
- Marketing and sales representative
- Engineer
- Scientific researcher
- Educator
- Communications specialist
