

AGRONOMY

Purpose:

The purpose of the National FFA Agronomy Career Development Event (CDE) is to create interest and promote understanding in agronomy by providing opportunities for recognition through the demonstration of skills and proficiencies. It also gives students an opportunity to explore career opportunities available in agronomy and encourage students to pursue careers in agronomy.

Description:

Participants in the agronomy CDE will create and present a management plan; identify weeds, seeds, and crops; determine agronomic issues; and evaluate the quality of various commodities.

Career Opportunities:

- Agronomist
- Certified seed grower
- Pest control technician
- Field crops consultant
- Agricultural market analyst
- Grain buyer
- Entomologist
