

Official FFA Ceremonies

Official FFA ceremonies are a source of pride, identity and tradition among FFA members and chapters. Ceremonies emphasize the purpose of meetings, the duties of officers and the significance of recognition given to individuals.

All official FFA ceremonies are to be memorized, rehearsed and conducted with pride and dignity. A “walk-through” in the room where the meeting, banquet or special function is to be held will ensure a smooth performance if proper physical arrangements are complete and all parties know their responsibilities and speaking assignments. Never forget that you and your chapter are on display. Your performance should reflect sincerity and professionalism.

In addition to using Mister/Madam, the National FFA Board of Directors approved the option of using officer position and last name based on an individual's preference.
