Current Event Worksheet: A Picture: “1,000 Words”

DIRECTIONS:

There's an old saying that a picture is worth a thousand words. Pictures are now the standard medium people use to share stories in the news and on social media. It's more pertinent now, arguably more than ever before, to take a bit of time to see what a picture is really saying.

Using the picture and article provided: **FIRST**, analyze the **picture** and answer #1 and #2. **SECOND**, read the **article** then answer #3-#5.

#1 **Describe:** (What is the picture about? What are key details? What do you notice?)

#2 **Narrate:** (If I were to write a short article about this picture, I'd write about...)

#3 **Read:** (Read the picture's article. What is it about? What are key facts?)

#4 **Compare:** (How are the picture and article different? How are they related?)

#5 **Reflect:** (Why is it important to analyze a picture and take time to learn more?)
