

NAME: _____

Current Event Worksheet: Innovative Technology

Aligned to the following standards: CCSS.RI.9-10.2; CCSS.RI.9-10.4; CCSS.RI.9-10.8

Created 10/2017 by the National FFA Organization

DIRECTIONS:

Work together with a partner to answer the questions below.

1. Identify 15 things that are possible because of technology, and write in the area below. The 15 things can include items, procedures or programs.

Fifteen things possible because of technology:

Examples: The internet, GPS, landing on the moon, etc.

2. Of those items you listed above, how do you see those technologies affecting advancements in modern agriculture?

3. Compare and contrast two differences in technology from the past and from today's time period. *Example: A "how-to manual" and "Google glasses."*
