

NAME: _____

A Dairy Good Celebration

DIRECTIONS:

The dairy industry plays a crucial role in the economy, and each year we highlight and recognize the industry for all that it provides in each of our communities. Watch the video FFA — Domino's, <https://vimeo.com/nationalffa/review/431807699/c2c2f8a05d>, and complete the following activities.

Circle the month we celebrate the dairy industry.

How does Domino's Pizza rely on the agriculture industry? Give three examples.

Identify four ways innovation is occurring in the dairy industry every day.

Domino's Pizza uses _____ million pounds/year of cheese!

What percentage of the U.S. population lives within 100 miles of a dairy farm?

- a. 52%
- b. 71%
- c. 89%
- d. 97%

Find a carton of milk and use the "[Where is My Milk From?](#)" resource to find where your milk traveled from! Write the name here.

How do these innovations impact you and those in your community? Give two specific examples.

How can you advocate for the dairy industry? Give two specific examples. Explain your answer.

(1)

(2)

The dairy industry provides jobs for roughly three million people. Using [AgExplorer](#), identify three careers that are directly related to the dairy industry that are not a farmer.

(3)

How has the dairy industry impacted you today?

KEY: A Dairy Good Celebration

DIRECTIONS:

The dairy industry plays a crucial role in the economy, and each year we highlight and recognize the industry for all that it provides in each of our communities. Watch the video FFA — Domino's, <https://vimeo.com/nationalffa/review/431807699/c2c2f8a05d>, and complete the following activities.

Circle the month we celebrate the dairy industry.

How does Domino's Pizza rely on the agriculture industry? Give three examples.

Answers will vary. Examples include cheese for the topping, meats (beef, pork, poultry), grain for the crust, etc.

Identify four ways innovation is occurring in the dairy industry every day.

Answers will vary. Examples can include technology to monitor cow steps, robotic milkers, "maid" to scrape manure, auto feeders, methane digester, drying manure for bedding, etc.

Domino's Pizza uses 250 million pounds/year of cheese!

What percentage of the U.S. population lives within 100 miles of a dairy farm?

- a. 52%
- b. 71%
- c. 89%
- ☒ d. 97%

Find a carton of milk and use the "[Where is My Milk From?](#)" resource to find where your milk traveled from! Write the name here.
Answers will vary.

How do these innovations impact you and those in your community? Give two specific examples. Answers will vary.

The dairy industry provides jobs for roughly three million people. Using [AgExplorer](#), identify three careers that are directly related to the dairy industry that are not a farmer. Answers will vary. Examples: food scientist, veterinarian, animal nutritionist, etc.
