

Equipment and Materials Identification List

- | | | |
|-------------------------------------|--|--|
| 100. Ambubag | 147. Elizabethian collar | 190. Obstetrical chain and handle |
| 101. Anesthetic machines | 148. Emasculators | 191. Ophthalmoscope |
| 102. Animal clippers | 149. Endotracheal tubes | 192. Otoscope |
| 103. Autoclave | 150. Fecal loop | 193. Paste gun |
| 104. Autoclave tape indicator | 151. Fecalyzers | 194. Pig tooth nippers |
| 105. Backhaus towel clamps | 152. Feeding tube for small animals | 195. Pill counting tray |
| 106. Balling gun | 153. Fetal extractor | 196. Radiology personal protective equipment |
| 107. Bands (castration or docking) | 154. Fingertip toothbrush | 197. Rumen magnet |
| 108. Bandaging material Elasticon | 155. Forceps- Adson tissue | 198. Scalpel blade |
| 109. Bandaging material– roll gauze | 156. Forceps - Alligator | 199. Scalpel handle |
| 110. Bandaging material– vet wrap | 157. Forceps- Allis tissue | 200. Scissors– Bandage |
| 111. Basket muzzle | 158. Forceps- Babcock tissue | 201. Scissors- Lister bandage |
| 112. Betadine | 159. Forceps- Brown-Adson thumb | 202. Scissors- Littauer suture removal |
| 113. Brush - Body (soft bristle) | 160. Forceps- Crile | 203. Scissors- Mayo dissecting |
| 114. Brush - Dandy (stiff bristle) | 161. Forceps- Halstead mosquito hemostatic | 204. Scissors- Metzenbaum dissecting |
| 115. Brush - Slicker | 162. Forceps- Kelly | 205. Shedding blade |
| 116. Brush - Pin | 163. Forceps - Rat tooth thumb | 206. Silver nitrate sticks |
| 117. Bulb syringe | 164. Gag mouth speculum (small) | 207. Small animal oxygen cage |
| 118. Cat bag | 165. Gag mouth speculum (large) | 208. Snook ovariohysterectomy hook |
| 119. Carmalt | 166. Gavage needle | 209. Squeeze chute |
| 120. Catch pole (dog snare) | 167. Gravity feeder / J tube | 210. Staple remover |
| 121. Catheter - IV | 168. Halter | 211. Steel lift table |
| 122. Catheter - butterfly | 169. Head chute | 212. Stethoscope |
| 123. Catheter - urine | 170. Hog snare | 213. Surgical cap |
| 124. Centrifuge | 171. Hoof knife | 214. Surgical gloves |
| 125. Chain twitch | 172. Hoof nippers | 215. Surgical gown |
| 126. Chemical indicator strips | 173. Hoof pick | 216. Surgical masks |
| 127. Clipper blades | 174. Hoof rasp | 217. Surgical tray |
| 128. Clipper comb | 175. Hoof trimmers | 218. Suture materials |
| 129. Surgical drapes | 176. Humane twitch | 219. Suture needle |
| 130. Cold sterile tray | 177. Hydraulic chute | 220. Suture wire cutting scissors |
| 131. Comb - Curry | 178. Identification tag applicator | 221. Syringe - leur lock |
| 132. Comb - Flea | 179. IV fluids | 222. Syringe - slip tip |
| 133. Comb - Scotch | 180. IV administration | 223. Syringe - automatic, multi-dose |
| 134. Cover slips | 181. Laryngoscopes | 224. Tattooing instruments- small & large |
| 135. Dehorner - Barnes | 182. Lead rope | 225. Tourniquet |
| 136. Dehorner - electric | 183. Lead shank | 226. Trocar & cannula |
| 137. Dehorner - scoop or tube | 184. Needle holder – Mayo Hegar | 227. Weight tape |
| 138. Dental floats | 185. Needle holder – Olsen Hegar | |
| 139. Dental retractor | 186. Microscope slides | |
| 140. Dental scaler | 187. Muzzle- commercial | |
| 141. Disposable hypodermic needles | 188. Nail clippers - guillotine | |
| 142. Drench gun | 189. Nail clippers - plier | |
| 143. Ear notcher | | |
| 144. Ear tags | | |
| 145. Ear tag pliers | | |
| 146. Elastrator | | |
