Subject: Thank you for your time

Dear Mr. Kline,

Thank you for taking the time to speak with me today about the barn equestrian hand position at the Spring Island Club. It was a pleasure to meet you and learn of the many amenities the Spring Island offers to its equestrian clientele. I especially enjoyed discussing the Spring Island Clubs dedication to quality animal care and promotion of a family-based equestrian community.

I am very excited for the potential opportunity to work at a premier destination for equestrians. With my background I have worked with national level performance horses, taught beginner lessons, and everything in-between. These experiences will allow me to meet the needs of our clients, while maintaining daily operations.

From our conversation, I believe that the Spring Island Club is the place I need to be. With my background in equine care, nutrition, and barn management I feel as I can be a great asset to your business. Please don't hesitate to contact me at any time with further information. I look forward to hearing from you soon.

Sincerely,
