Subject: Thank You

Dear Mr. Kline,

Thank you for this incredible opportunity given to me today by your team to be assessed and interviewed for the position of equipment operator at your prestigious company. As a young leader and professional in this industry, it is very encouraging to have the opportunity gifted to me by your cooperation to work beside you and your company. It is enlightening to see corporations such as yourself investing in young leaders like myself through this possible opportunity. I plan to use qualities such as being goal oriented, problem solving and critical thinking to advance the horizon of your company and to grow as an individual. I strive to grow this cooperation to what it could be. And I would be honored to be apart of it. You can contact me at [REDACTED] or [REDACTED] for any further questions or updates. Thank you for your time Mr. Kline and I look forward to hearing from you again.

Sincerely,
