

FFA 2020 Parliamentary Law Section 1

Objectives:

The FFA Members will:

1. Describe the use of the gavel in the consideration and handling of business in an FFA meeting.
2. Identify the classes of motions and classify motions according to their class.
3. Describe the standard descriptive characteristics for main motions.
4. Identify the order of business in an FFA meeting.
5. Describe the six steps of handling a motion.
6. Identify procedures in the handling of main motions and amendments.
7. Describe the fundamental rules governing debate in an organized society.
8. Describe the standard descriptive characteristics for amendments.
9. Identify the methods of amending a motion
10. Identify the impacts of adopting an amendment on the clause amended (settled rule).
11. Identify principles of parliamentary procedure which enable the fast and efficient handling of business in an FFA Chapter.
