

FARM AND AGRIBUSINESS MANAGEMENT

Purpose:

The National FFA Farm and Agribusiness Management Career Development Event (CDE) provides competition that fosters information assimilation, critical thinking and problem-solving skills necessary for successful business management. The skills learned in this event can be used successfully to manage a farm or agribusiness, pursue agricultural business careers, and can be applied to personal financial management.

Description:

Participants in the farm and agribusiness management CDE will analyze business management information and make appropriate management decisions based on economic principles.

Career Opportunities:

- Agriculture economist
- Farm business management instructor
- Agriculture educator
- Livestock/coop/specialty farmer
- College professor
- Agriculture credit manager
