

FOOD SCIENCE AND TECHNOLOGY

Purpose:

The National FFA Food Science and Technology Career Development Event (CDE) is designed to promote learning activities in food science and technology related to the food industry and to assist students in developing practical knowledge of principles used in a team decision-making process.

Description:

Participants in the food science and technology CDE will develop food products based on specified guidelines; evaluate scenarios to determine quality and safety compliance; and identify food products based on aroma, flavor, texture, and visual clues.

Career Opportunities:

- Food broker
- Food and drug inspector
- Food buyer
- Meat inspector
- Food scientist
- Food chemist
- Product line manager
