

FORESTRY

Purpose:

The National FFA Forestry Career Development Event (CDE) is designed to stimulate student interest and to promote the forestry industry as a career choice. It also provides recognition for those who have demonstrated skills and competencies as a result of the forestry instruction in the agricultural classroom.

Description:

Participants in the forestry CDE will present forestry issues to a panel of judges; respond to a scenario based on forestry management; identify trees, disorders, equipment, forest products, and chainsaw parts; and demonstrate tree measuring and efficiency in using a compass and map.

Career Opportunities:

- Forest ranger
- Log grader
- Forest firefighter
- Forest products merchandiser
- Forestry scientist
- Dendrologist
- Timber manager
