

Forever Blue Network

Created: 03/2021 by the National FFA Organization

Description: *The Forever Blue Network is an opportunity for networking and professional and personal development. Using this WebQuest, enroll and engage juniors and seniors in the Forever Blue Network.*

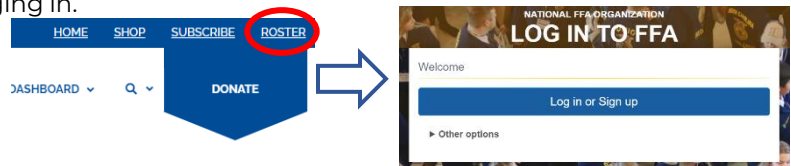

Time Required: 45 minutes

Resources/References:

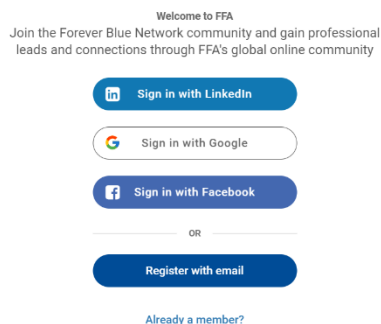

1. Website: The Forever Blue Network, <https://foreverbluenetwork.org/>

Introduction:

1. Before Getting Started:
 - a. Verify that each student is a junior or a senior in high school as this platform is intended for students nearing graduation.
 - b. Each student needs to have an FFA ID number. If a student does not have an FFA ID number, consider adding them to your roster as AgEd only. *Note: Some states do not allow for AgEd only on the FFA roster. Also, some states use a different platform from FFA.org to complete the chapter roster.*
 - i. To find the FFA ID number of each student, or add them as AgEd only, begin by going to the roster on FFA.org and logging in.

2. Provide a hard copy of or the link to (<https://foreverbluenetwork.org/>) the “Forever Blue Network Exploration” worksheet to each student.
3. Students will create an account on the Forever Blue Network.
 - a. Students begin by selecting “Get Started” or “Start Networking” on the home screen.
 - b. Select a method to sign in/create your account.

- c. Next, students will be prompted to identify the following: Email, First/Last Name, State Association, FFA ID and date of birth.
- d. Once approved, students will have access to the Forever Blue Network.
