Career Objective

To obtain an internship with a leading livestock marketing company that provides the opportunity to expand my knowledge as an Agribusiness major and utilize photography and livestock knowledge to provide customers with premier marketing materials to help their sale succeed.

Education

Community School Corporation;
Graduation: June 1, 2018
Diploma Received: Core 40 with Technical Honors
GPA: 3.57

- Agriculture: Animal Science, Advanced Animal Science and Agribusiness Management
- Art and Design: Introduction to Photography and Advanced Photography

Work Experience

Family Farms

Production and Marketing Assistant
2015-present

- Photograph sale cattle using a Canon 7D Mark II camera and Canon lenses
- Create posts for the farm Facebook page to advertise animals and promote the herd
- Provide customer service to animal buyers by answering any feed or daily care questions
- Responsible for animal nutrition, herd health management and recordkeeping

Friends Show Pig Sale

Marketing Team Member
2016-present

- Promote sale on social media sites like Facebook and Instagram by posting flyer in the weeks leading up to the sale.
- Assist in designing sale flyers and distributing the flyers to local feed mills and show pig auction websites.
- Advise customers on sale day according to their purchases and how to care for their pigs.

Photography and Design

State Fair Photography Intern
August 2018

- Capture ring shots of every exhibitor in every class during the 2018 Indiana State Fair Breeding Ewe, Breeding Gilt, and Dairy Cow show.
- Advertise all the different photography packages the company offers.
- Collaborate with other team members to make sure every show was photographed and all tasks were completed.
