 - a. "How many of you like to get new things like clothing, phones, music, cars?"
 - b. "In order to get new items, what does it take?" (Help them get to the response—money).
 - c. "How many of you have to buy your own items right now?"
 - d. "Eventually, all of you will be paying for your own new items, which will only be made possible from the money you make in a job or career."

2. *Activity:* Each student needs a copy of the handout, "Job Genius: The Interview Handout."

4. *Leveling Up:* Work with your advisory group, local alumni, or general business professionals in the community to conduct mock interviews with the students and provide feedback.
