

LIVESTOCK EVALUATION

Purpose:

The National FFA Livestock Evaluation Career Development Event (CDE) provides the opportunity to learn and apply livestock industry and production priorities through evaluation and selection of beef cattle, swine, sheep and meat goats.

Description:

Participants of the livestock evaluation CDE will work cooperatively to complete breeding, marketing, and assessment and solution activities; complete a written exam; evaluate various classes of breeding and market animals; and give oral reasons for their evaluations.

Career Opportunities:

- Export sales manager
- Livestock buyer
- USDA meat inspector
- Livestock yard supervisor
- Animal nutritionist
- Animal geneticist
- Farm broadcaster
