

Philanthropic Events

Created 02/2017

This document serves as a guideline to assist advisors in planning, implementing and justifying participation in philanthropic events (raising awareness and money for a cause). Standards for philanthropic events are suggested standards based on classroom content and the cause being addressed. While not every standard may be covered during each event, these lists should serve as a guideline to validate and actualize educational relevancy for philanthropic activities.

STUDENT LEARNING OBJECTIVES:

Philanthropic events provide an opportunity for students to enhance their learning by applying classroom knowledge and leadership skills to raise awareness and funding for a local, state, national or global cause.

In order to develop high-quality philanthropic events, the student should utilize a framework of investigate, plan, serve and evaluate, which supports the following learning objectives:

- Utilize critical thinking and decision-making skills to INVESTIGATE local, state, national or global causes.
- PLAN the various components of the philanthropic event that include:
 - Developing S.M.A.R.T. goals to measure success.
 - Establishing relationships with diverse community partners while enhancing communication skills.
 - Organizing logistics that include a timeline of activities, materials/supplies needed and volunteers.
- Engage participants in meaningful philanthropic activities that enhance classroom knowledge, leadership skills and attitudes of students to SERVE the identified cause.
- EVALUATE the successes and challenges of the event by tracking progress and gathering impacts.

THESE ACTIVITIES ARE ALIGNED TO THE FOLLOWING STANDARDS:
