NAME: _____

What Can Be Done?

DIRECTIONS:

Brainstorm ideas on how each of the areas (School, Chapter, You) can be more inclusive. Record your thoughts in the area below. Use the attached bubbles for extra room.

The form consists of a large inverted triangle divided into three horizontal sections. The top section is labeled 'SCHOOL', the middle section is labeled 'CHAPTER', and the bottom section is labeled 'YOU'. To the left and right of the triangle are large, hand-drawn cloud shapes. Inside the clouds and around the triangle are several small circles of varying sizes, some of which contain the number '6', intended for brainstorming ideas.
