Part 2

Directions:

As we heard, tradition is an important component to progress. Select a tradition in your life that you have always thought could use a change, and walk through the steps below.

Describe the tradition you have selected.

Describe how you would change the tradition.

What steps would you have to take to make this change happen?

Does this change lead to true progress? Or is it just a change for the sake of change? Why or why not?

What would you tell someone about making change to ensure true progress?
