President: Are there any corrections to the minutes? Being no corrections to the minutes, the minutes stand approved as read.

Member A: Parliamentary Inquiry?

President Member A, State your question.

Member A In reviewing our website, I found an error in the April 2017 minutes, How would I go about correcting it?

President: Member A, it would be appropriate to use the motion to Amend Something Previously Adopted to correct minutes. Member A, do you wish to make this motion?

Member A: Not at this time, Thank you.

President: Bill Baker will present the Financial Report.

Treasurer: The current account balance is \$1,206.25. One bill was paid to ABC Market for \$50 for refreshments for the *Welcome Back to School* Social. Mr. President

President: The financial report is received and filed for audit.

Member A: Mr. President

President: Member A

Member A: I move that the NHS staff the refreshment stand for the high school football game on Friday, October 13, 2017.

Member B: Second

President: It is moved and seconded that the NHS staff the refreshment stand for the high school football game on Friday, October 13, 2017. Member A would you like to speak to your motion?

Member A: Yes. Fellow members, please vote yes. We need recognition by the school community and the opportunity to raise financial resources. This motion presents an opportunity to do both. Vote Yes.

Member B: Request for Information.

President: Member B, state your request.

Member B: Who is the opponent of Maple High School on October 13th?

President: The football schedule indicates that the Happy Valley Lions are the Friday, October 13th opponent. Is there further discussion?

Member B: Mr. President. (after recognition). I am strongly against this motion. Member A has made this motion because of his/her desire to avoid a community service obligation/detention they have been assigned on Friday, October 13th and they just want to use this as an excuse to get out of it.

Member C: POINT OF ORDER.

President: State Your Point.

Member C: Member B's debate violates the standards of decorum as they call into question the intentions of the motion maker.

President: Member C, your point of order is sustained. Member B, please keep in mind the standards for decorum of debate as identified by our parliamentary authority *Robert's Rules of Order Newly Revised*.

President: Is there further discussion? Are you ready for the question?

Member A: I move that the vote on this motion be a counted vote.
