

NATIONAL CHAPTER
QUALITY STANDARD

HEADS UP!

GUESSING GAME

HOW TO PLAY

INSTRUCTIONS

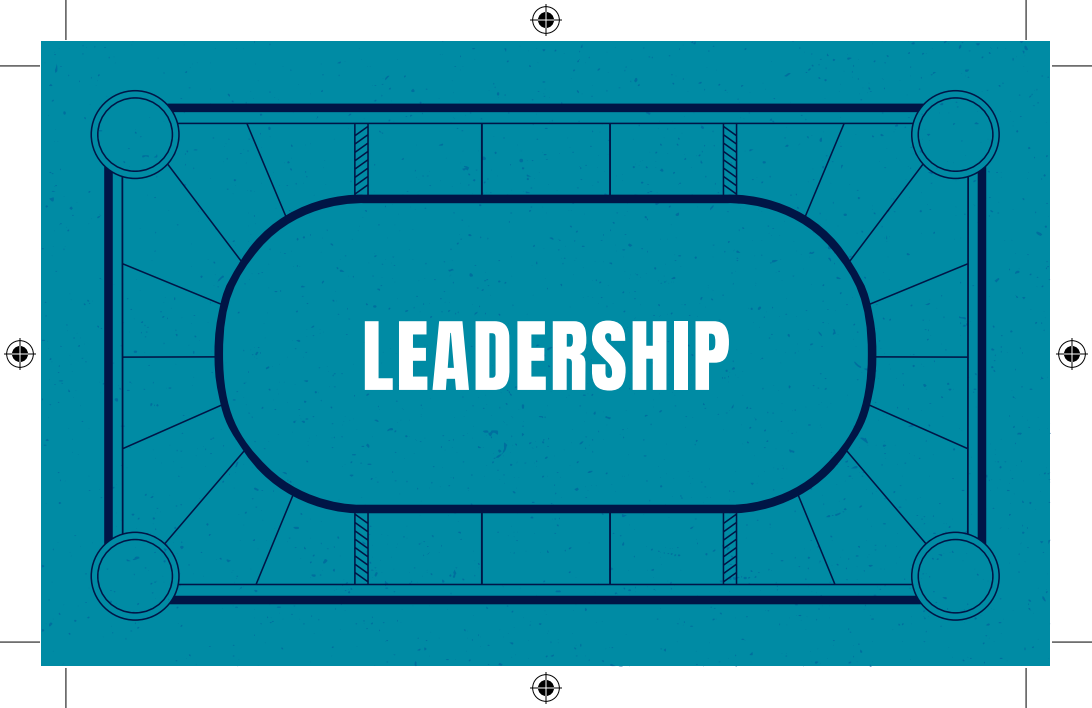

Each deck features 16 cards with a National Chapter Quality Standard. Your team's goal is to guess the need on the card based on each other's clues, without looking at the card. Simply place the descriptive/example side of the next card against your forehead. The other participants will give clues until you guess the quality standard on the card's front side. Read the project spotlight aloud. Pass the deck clockwise and repeat until time runs out.

THANK YOU
TO OUR
PARTNER!

JOHN DEERE

LEADERSHIP

FOCUS AREA

GROWING LEADERS

Activities that help individuals develop technical,
human relations and decision-making skills.

PROJECT SPOTLIGHT

My Agriculture Journey

Officers and advisors conducted an orientation for all agriculture students and parents. Officers led a chapter meeting highlighting membership degrees, supervised agricultural experiences, and career and leadership development events. Each member received a road map for FFA success. Advisors collaborated with parents and agriculture students one-on-one to provide goal-specific information.

Florida

HEALTHY LIFESTYLES

FOCUS AREA

GROWING LEADERS

Activities that promote the well-being of students, mentally or physically, in achieving the positive evolution of the whole person.

PROJECT SPOTLIGHT

Roam Near Home

The purpose of Roam Near Home is to show FFA members the many opportunities around them to get outside by having them research locations and put them on an interactive map to share with the public. This activity will get members more active and outside by identifying sites, trails, and parks within a 50-mile radius of the school

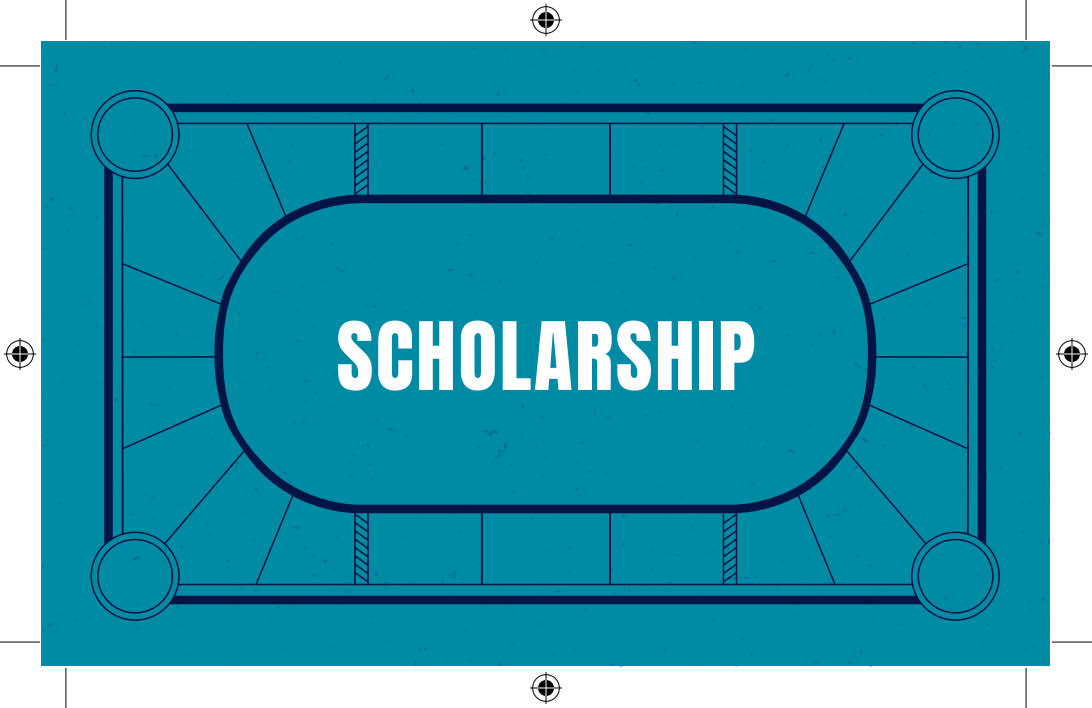

CHAPTER

Commerce Middle School FFA

STATE

Georgia

SCHOLARSHIP

FOCUS AREA

GROWING LEADERS

Activities that develop a positive attitude toward lifelong learning experiences.

PROJECT SPOTLIGHT

Care Packages for College Kids

FFA members spread holiday cheer by making Care Packages for College Kids during the holiday season. Packages include holiday treats and a variety of snacks. Sending cookies to our college members gave them a sense of hometown support and let them know that we value their success as we thank them for their contributions to the chapter.

PERSONAL GROWTH

FOCUS AREA

GROWING LEADERS

Activities conducted to improve the identity and self-awareness of members. These activities should reflect members' unique talents and potential by reinforcing their human and employability skills. The activities should enhance the quality of life and contribute to members' life goals and development.

PROJECT SPOTLIGHT

Being Uniquely You

Recognizing teenagers' challenges in a social media-driven world, the committee identified the need for research-based resources from mental health professionals. This activity promotes diversity, equity, and inclusion within our rural FFA chapter to foster identity and self-awareness.

CHAPTER

Ridgemont FFA

STATE

Ohio

CAREER SUCCESS

FOCUS AREA

GROWING LEADERS

Activities that promote student involvement and growth through agriculture-related experiences and/or entrepreneurship and promote career readiness.

PROJECT SPOTLIGHT

FFA Floral Affair

After learning floral design techniques, FFA members will work with community members to create memorial and banquet bouquets. Students will work with customers to determine colors, design preferences and budget requests. FFA members will learn floral industry skills as they prepare and design arrangements within budgets.

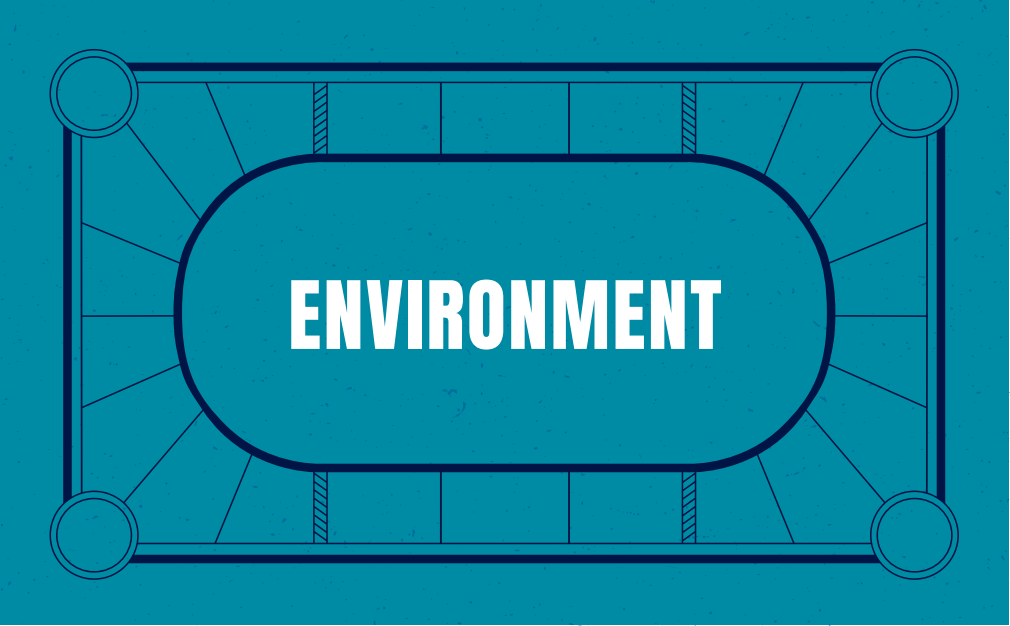

CHAPTER

Washington FFA

STATE

Oklahoma

ENVIRONMENT

FOCUS AREA

BUILDING COMMUNITIES

Activities conducted to preserve natural resources and develop more environmentally responsible individuals.

PROJECT SPOTLIGHT

Suck It Up! **Environmental Remediation Campaign**

FFA members saw a need to grow awareness of the importance of chemical spill remediation on farms. Members created and passed out information packets and absorbent materials to local farmers with the help of the Delaware Department of Natural Resources and Environmental Control Emergency Response Team and the environmental contractor EnviroServe.

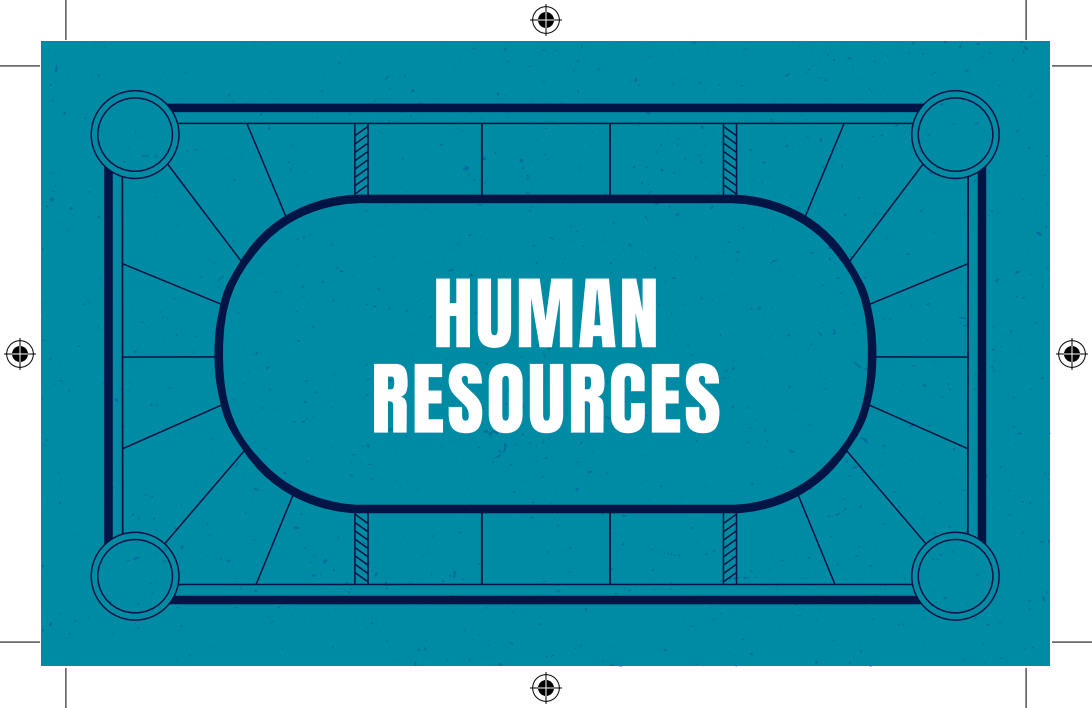

CHAPTER

HUMAN RESOURCES

FOCUS AREA

BUILDING COMMUNITIES

Activities conducted to improve the welfare and well-being of members and citizens of the community.

PROJECT SPOTLIGHT

Fun Friends of Autism Agriculture Day

This program allows chapter officers to spend the day teaching and promoting agriculture at the Cincinnati Center for Autism, which educates at-risk students with autism and enables them to live happy, healthy lives. Through fun activities, the students interacted with livestock, sensory grain tubs, pedal tractors and coloring projects.

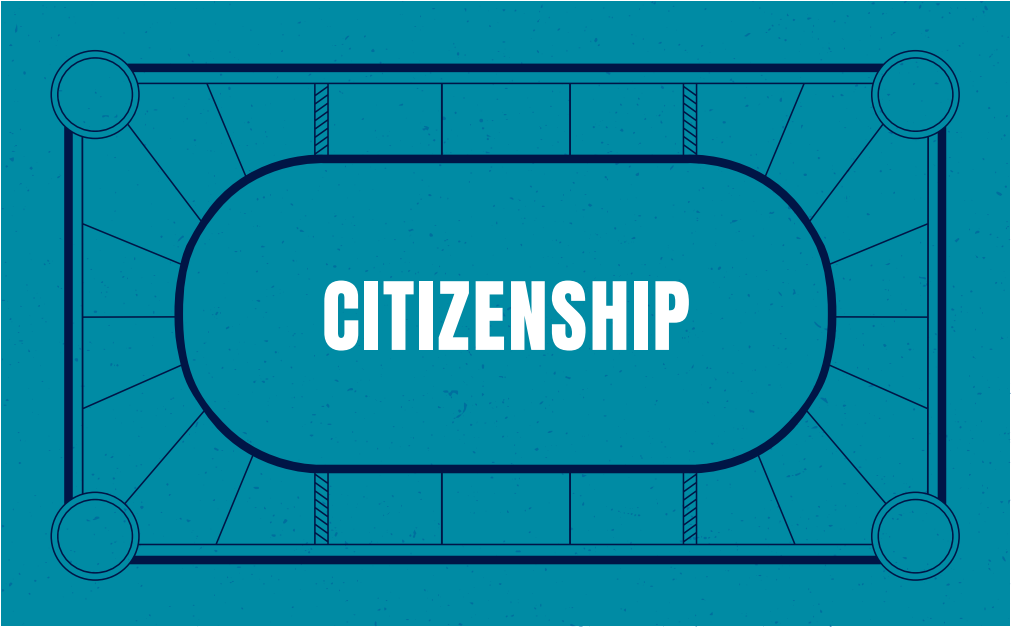

CHAPTER

Fayetteville FFA

STATE

Ohio

CITIZENSHIP

FOCUS AREA

BUILDING COMMUNITIES

Activities conducted to encourage members to become active, involved citizens of their school, community, and country.

PROJECT SPOTLIGHT

Bags of Hope

Four years ago, two of our members noticed many foster children in our community did not have their own backpacks. At the Washington Leadership Conference, the members developed a Living to Serve Plan that was implemented to provide a personalized bag for foster children in our community.

Montana

The diagram features a central white oval with the text "STAKEHOLDER ENGAGEMENT" in bold black letters. This oval is set against a light blue background that contains a grid of squares. Some squares are divided diagonally, and others have vertical hatching. The entire grid is enclosed within a double-lined rectangular border. At each of the four corners of this border is a circular element consisting of two concentric circles. The entire graphic is centered on a white page, which has four registration marks (crosshairs) at the top, bottom, left, and right edges.

STAKEHOLDER ENGAGEMENT

FOCUS AREA

BUILDING COMMUNITIES

Activities conducted to develop teamwork and cooperation between the local chapter and stakeholders.

PROJECT SPOTLIGHT

North Marion Equine

Animal science students and FFA members continue to participate and grow with new stakeholders in our industry. This is the sixth year of the equine science program, in which students help breed, foal, and train Thoroughbreds to market and take them to the local yearling sale. We now have the cooperation of 13 stakeholders in equine and cattle.

ECONOMIC DEVELOPMENT

FOCUS AREA

BUILDING COMMUNITIES

Activities conducted to improve the economic welfare of the community.

PROJECT SPOTLIGHT

Cannon's Point Oaks

The FFA chapter went to Cannon's Point, the land reserve on St. Simon Island, to collect live oak acorns. The purpose is to help reestablish the live oak population in our community's green spaces. The goal is to return the population closer to the historical numbers when St. Simon was colonized.

A graphic with a teal background. In the center is a large, rounded rectangle with a dark blue border. Inside this rectangle, the words "SUPPORT GROUP" are written in a bold, white, sans-serif font. The background of the entire graphic is a lighter teal color with a subtle pattern of small white dots. There are four circular elements, each with a dark blue border, positioned at the corners of the central rounded rectangle. The entire graphic is framed by a thin white border. There are four small black crosshair-like symbols, one in each corner of the white border.

SUPPORT GROUP

FOCUS AREA

STRENGTHENING AGRICULTURE

Activities conducted to develop and maintain positive relations among FFA, parents and community leaders interested in supporting agricultural education.

PROJECT SPOTLIGHT

Alumni Diversified Livestock Cooperative

This activity encourages members who do not live on a farm to collaborate with local alumni by having a goat, sheep or beef supervised agricultural experience provided by local livestock producers. Members learn about animal husbandry, record keeping, and livestock exhibition. This also provides an opportunity to showcase a supportive family farm operation locally.

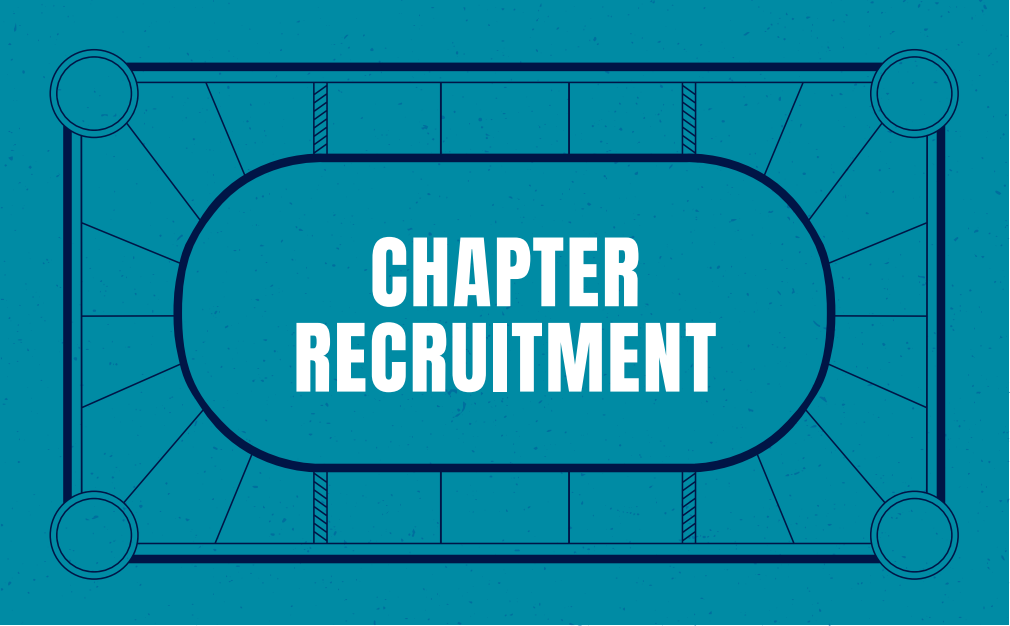

CHAPTER

West Liberty FFA

STATE

CHAPTER RECRUITMENT

FOCUS AREA

STRENGTHENING AGRICULTURE

Activities conducted to increase engagement or enrollment in agricultural education and/or FFA membership and encourage greater participation.

PROJECT SPOTLIGHT

Diving Into FFA

How do you recruit members in the first week of school and educate them about the numerous opportunities FFA offers? Creating Diving Into FFA, our chapter combined a school-wide swimming party into a career development event (CDE) overview and educated over 90 kids about our organization. Each student participated in mini CDEs to discover their interests.

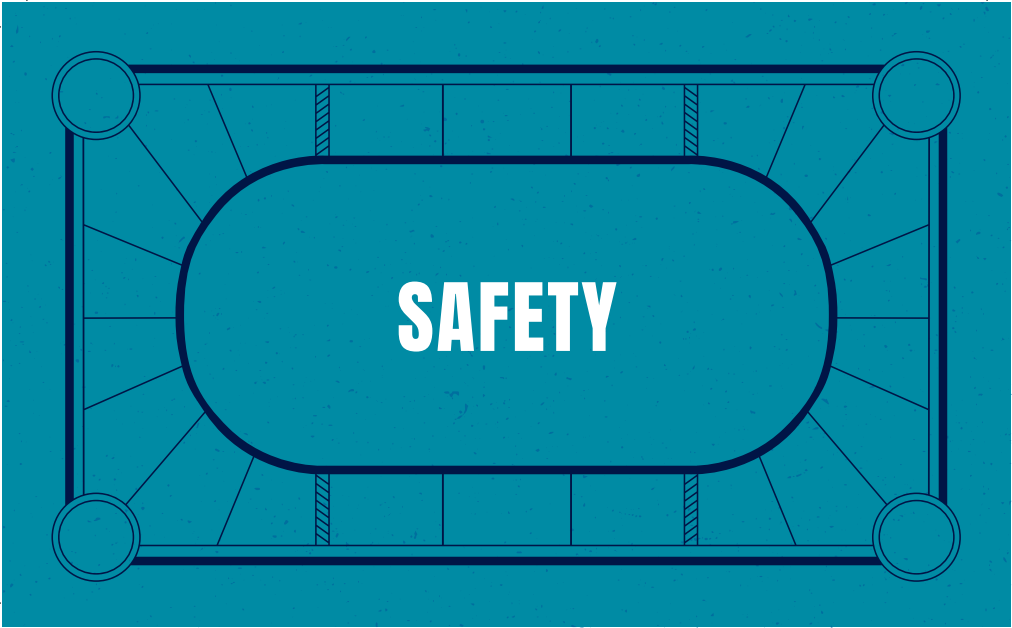

CHAPTER

SAFETY

FOCUS AREA

STRENGTHENING AGRICULTURE

Activities that enhance safety in the community.

PROJECT SPOTLIGHT

Stop the Bleed

Members partnered with Purdue University College of Pharmacy to train members on how to stop bleeding. The training taught members about tourniquets and packing wounds. Members became Stop the Bleed certified through the program.

CHAPTER

Tri-County FFA

STATE

Indiana

AGRICULTURAL ADVOCACY

FOCUS AREA

STRENGTHENING AGRICULTURE

Activities conducted to articulate and promote agricultural programs, practices, policies, and/or education to elicit action.

PROJECT SPOTLIGHT

Anything's Pawsible

Members identified the need to implement advanced equipment at Meadow Road Dog Park to advocate for change in canine health and obesity. Students surveyed the area to devise a plan of action to build and install play equipment to be used by dogs and owners in the community. Members presented their plan to the County Commissions, seeking approval.

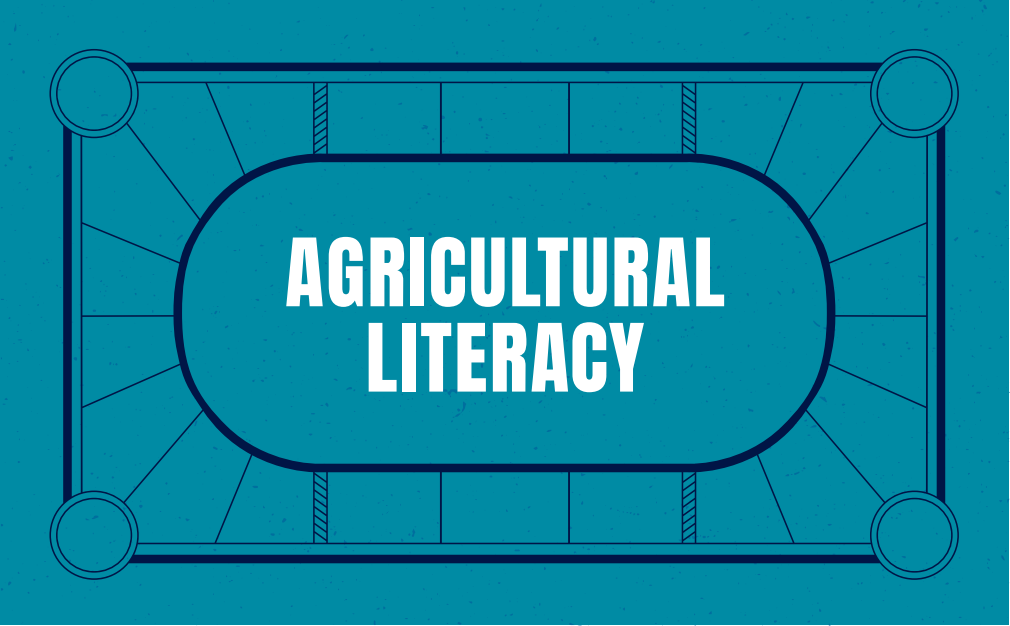

CHAPTER

Lumberton FFA

STATE

North Carolina

AGRICULTURAL LITERACY

FOCUS AREA

STRENGTHENING AGRICULTURE

Activities that help consumers become better informed about the production, distribution, and daily impact of food, fiber and fuel.

PROJECT SPOTLIGHT

Pumpkins for Pups

The purpose of this activity is to increase FFA members' knowledge of the dos and don'ts of dog care. FFA members were invited to create pumpkin dog treats while being taught various foods that are good for pets, as well as what foods are not suitable for pets. The pumpkins used were grown on the school farm.
