

POULTRY EVALUATION

Purpose:

The National FFA Poultry Evaluation Career Development Event (CDE) simulates learning activities relative to production and management, processing, marketing and food safety and quality of poultry products.

Description:

Participants in the poultry evaluation CDE will work cooperatively to collect data, analyze current events, evaluate practicum materials, and present their findings to a panel of judges. Students evaluate classes of live poultry, ready-to-cook poultry, and further processed poultry; give oral reasons to defend evaluation placings; identify poultry carcass parts, and grade poultry carcasses, the interior of shell eggs, and the exterior of shell eggs.

Career Opportunities:

- Hatchery manager
- Research director
- Grader
- Biochemist
- Geneticist
- Disease control agent
- Poultry extension specialist
