Subject: Farmers Cooperative Social Media Strategist ZOOM Interview

Dear Mr. Kline,

I would like to take this opportunity to thank you for setting up the Zoom interview for the Farmers Cooperative Social Media Strategist Intern position. It was a privilege to sit down with your staff today and I know this must have taken time out of your busy schedule to set up, and I would like to thank you for giving me the opportunity.

After this interview, I feel confident that I am the best choice for this position. With my punctual and creative thinking skills, I am equipped to fulfill the requirements on day one. These two skills are vital for this position, and I feel strongly that I am prepared in these areas to make the transition the most seamless. This, combined with my social media trainings, will allow me to increase brand awareness of “Driven to Serve” on various social media platforms and followings.

Ultimately, I would like to thank you for your time and considering me for this position. If you need any further information, please feel free to contact me at (xxx) xxx-xxxx or myemail@gmail.com. I look forward to hearing from you in regards to a follow up in the next two weeks by email.

Sincerely,

Sample C
