Subject: Thank you – D. Duck – Farm Manager Interview

Dear Mr. Mouse,

Thank you so much for taking the time to speak with me yesterday about the farm manager position at Harmony Farms. I truly enjoyed learning more about the role and the team.

I was particularly excited to hear about how Harmony Farm wants to maintain its reputation in the state by producing quality show stock for its customers.. My experience as both a show groom and caretaker aligns well with this, and I am confident I can make a valuable contribution to Harmony Farms.

I am very enthusiastic about the opportunity to join your team and look forward to hearing about the next steps in the hiring process. Please don't hesitate to reach out if you require any further information.

Sincerely,

D. Duck
