Which career focus area could be applicable to all the companies in the activity?

Name: _____

Which two companies interest you most and make you want to explore more? Explain why for each.

1.

2.

Using one of the companies selected in the previous question, create an Instagram profile plan highlighting current job positions that are available. Use the company's website to help complete this activity. Your profile should include the following:

- ❖ A profile picture representing the company (logo, employee example, etc.).
- ❖ Two posts drawn with a caption about two current job positions available with the company.

Name of company selected:	Draw a profile picture for the company.
Why did you choose this company?	
Which career focus area(s) does this company fall in?	

Post 1	Draw the post for this job position.
Job Position:	
Educational Requirements:	
Salary Range:	
Location of Job:	
Primary Responsibilities of Position:	
	Create a caption using the information collected in the left column.

Name: _____

Post 2 Job Position: Educational Requirements: Salary Range: Location of Job: Primary Responsibilities of Position:	Draw the post for this job position. Create a caption using the information collected in the left column.
---	--

- ❖ If you were actively seeking one of the above jobs with the company, what steps could you take during high school to start preparing for that career? How will that help you be successful in obtaining this job?
