NAME: _____

Part 2

DIRECTIONS:

Disaster can happen anywhere, and being prepared is crucial. Using your research skills, develop a disaster plan for your pet(s) or livestock (or a pet you would like to have).

Animal Species: _____

Animal Name: _____

Animal Veterinarian (name/number): _____

Unique identification characteristics: _____

- How much/what kind of food do you need to have? (Hint: Estimate 3 days)
- Medicine? (circle one) Yes No Med name? _____ Dosage: _____
- First aid kit supplies you could need:
- Crate, pet carrier, restraint needed?
- Sanitation: What do you need? (ex. bleach, litter box, etc.)
- Familiar items? (ex. favorite blanket, toy, etc.)
- Insert a picture of you and your animal in case you get separated.

What other steps can you take to make sure you are prepared in the event of a disaster?

NAME: _____

Part 3

DIRECTIONS:

Not only do we need our pets to be safe, but we also need to be safe in the event of a disaster. Develop a disaster plan for your family.

My Family Disaster Plan at a Glance

1. How are you going to receive emergency alerts and warnings? What if you do not have cell service?

2. Where is the best place in your home to shelter? Why?

3. What supplies do you need to have ready in your shelter location? Consider health needs, food/water needs, etc.

4. How can you safely evacuate your property? Draw a map below.

Why is it important to have a disaster plan in place?
