

The Legacy and Impact of FFA

Part 1

Directions:

Watch the video and read about agricultural education and FFA on the following site: <https://indiana.growwithus.ag/>. While you explore, complete the questions below.

What is agricultural education?

What impact does/can agricultural education/FFA have on a person?

What impact can/does agricultural education/FFA have on a community?

What interests/excites you the most about FFA?

and FFA.

Identify at least two leadership skills you can gain by being involved in agricultural education

Using the space provided, draw a picture of where you will be in five years. Identify three ways that future could be impacted by being actively involved in agricultural education and FFA.

Part 2

In your group, you will be responsible for creating a mini National FFA Week campaign to promote agricultural awareness in your school or community. You must include at least two of the following:

- Poster
- Social media post mock-up
- Three school announcements
- Two or three FFA Week event ideas
- Brochure

Each group will share in two minutes or less once all groups are finished. Use the space provided below to plan out your ideas.
