Unit 3: Floral Design Assessment

Floral Arrangement Practicum

Created: 05/2017

DIRECTIONS:

Students (or teams) will create a \$55 floral arrangement assigned by the teacher. The arrangement will include an itemized list of costs totaling within 50 cents of \$55.00 and a written explanation of what time-period style and color scheme were used. Each arrangement can be scored using the floriculture CDE rubric for the "Floral Arrangement Practicum." A description of the practicum and both the rubric and itemized list of costs can be found in the 2017-2021 Floriculture CDE Handbook.
