5	2/10/15	8.2	2.3	69	91	26
6	2/15/15	9.3	2.4	65	88	27
7	2/17/15	5.9	3.7	53	80	18
8	3/12/15	13.2	0.1	75	102	28
Breed average		9.0	2.3	63	91	23

SCENARIO: Keep four of these heifers as potential replacements for a 250 cow purebred Simmental operation in Southern Indiana. This operation markets bulls to other purebred and commercial producers and markets the heifer crop as show prospects in two annual online sales. The producer has established a national reputation for generating functional, high quality Simmental cattle. The focus of the operation is on balanced traits. Feed resources are mainly forage with limited supplementation. Labor is limited.
